Upcoming Events:

Sunday, November 4, General Club Meeting, Long Branch Supper Club, Marion, 7:00 PM. Nominations of Club Officers for next year. Please plan to attend.

Notice

New members who pay dues after Oct 1 pay for the balance of this year and for all of next year. Proof of AMA membership for both years is required to receive a club membership card.

LOST: Camera Battery!

Guys, John Thomas left a camera battery at the Warbird event, in July, at the Skyhawks field. Several members remember seeing it, but John has been unable to find out who may have picked it up to hold until they saw John again. If you have the battery or know who does, please call John at 319-431-6742. Thank you!

Reminder: You must have your 2007 AMA Membership Card and have your 2007 Skyhawks Membership Card to fly at the field.

Your new Skyhawks membership card must be attached to your AMA card, and both should be placed in your frequency pin slot when you have the frequency clip. Thanks.

Minutes of Club Meeting

October 7, 2007

October's meeting was held with 10 members present. To start the meeting each member introduced themselves and told the group about their projects and flying adventures.

The treasurer's report was given next with all accounts in order. Last month's meeting minutes were reviewed and agreed to.

Nominations were held for club officers. Nominated were: President: Wendell Maakestad, Vice President: Randy Cady, Treasurer: Martin Miller, Secretary: Jim Buttleman. Nominations will be open again at the November meeting and elections will be held at the December meeting.

There was discussion about our website needing a new webmaster. If you are interested in helping the club with this, please let Wendell know. Wendell reminded everyone that you must place your AMA and Skyhawks membership cards in the pin box and place your channel pin on your antenna. This also applies to Spectrum transmitters.

Kerry Lawrence announced that the Indoor Electric Fly-in at the US Cellular center is a go! (see flyer) The website is:
<http://users.mcleodusa.net/l/lawrencekerry/USCC/>

Randy said they continue to fly rubber power models at Mount Vernon High School on

Saturdays. Anyone interested, please contact Randy Cady or Jon McVay.

Wendell said he was concerned about meeting attendance. Kerry Lawrence said he will send out a survey asking members what they want at the meetings and what will get them to attend.

For show and tell Kerry Lawrence brought in a small electric flying wing called a mini swift, that he will fly inside the US Cellular center this winter. Randy Cady brought in a Fox 4.2 cu/in engine. This is for his 30%, 118" Stearman he is building. Wendell brought in a JR Spectrum module for show and tell.

Renew Your AMA Membership!

It will soon be time to renew your AMA membership for 2007. The Academy plans to mail each members renewal notice the week of September 18. If you want to renew your membership online, you may do so at:
www.modelaircraft.org/preapp.aspx.

Take note if you know someone who would like to join AMA: any new adult member who signs up after September 15, 2006, will receive his or her membership for the balance of 2007 and all of 2008 for one fee of \$58.

Respectfully Submitted, Kerry Lawrence
