Reminder: There have been several occasions this year when the flag at the field has not been taken down at night. Also, the frequency pin box has not always been closed. If you put the flag up, be sure to take it down, or make arrangements for someone else to take it down. If you are the last person to use a frequency pin, please close the pin box. **Thanks.**

**Club training night
began Wednesday, May 6
and will continue each Wednesday
evening for the rest of the season.**

Man must rise above the Earth—to the top of the atmosphere and beyond—for only thus will he fully understand the world in which he lives.

— Socrates

Reminder: You must have your 2009 AMA Membership Card and 2009 Skyhawks Membership Card to fly at the field after January 1, 2009.

Your new Skyhawks membership card must be attached to your AMA card, and both should be placed in your frequency pin slot when you have the frequency clip. Thanks.

Minutes of Club Meeting August 2, 2009

With 13 members and three lady guests present Van opened the meeting at 7:00 pm. The lady guests were Mrs. Buttleman, Mrs. Cady, and Mrs. Swanson.

Treasurer's report was given by Martin Miller.

Old Business:

The Warbird Event was reviewed. A total of 39 planes and 18 pilots were in attendance at the event. 27 planes were flown at the event even though a stiff crosswind of 30 + mph was in force all day long. Wally Brown manned the impound tent and check-in processes. The food vendor that had committed their services for the event backed out at the last minute leaving the club to scramble for food sale goodies for the entrants and attendees. Thanks to Van and his lady friend, Cheryl, Larry Brewer, and Geoff Barrance doing the last minute scramble to get a food sale together. A total of \$325.00 was made from the food sales.

Warbird Event Awards:

Best of show-B-29- Dwayne Fosseen

Best Flight- F-82- Jim Osterhaus

Best static- B-25- Jerry Wolf

Gift certificate winners- Greg Lane and Chris Krammer

Wendell thanked all that helped with the event and said that there were a lot of compliments about the event.

Lloyd Swanson proposed that a slide show presentation could be made of the warbird event and sent to all that participated in the 09 event. Lloyd and his wife said they would do the slide show presentation.

Wendell made a motion that they go ahead with

the idea, it was seconded by Kerry Lawrence, motion voted on and passed.

Van called for follow up info on two field related items, these are still being checked into.

New Business:

The upcoming August 22nd E-Fly event was discussed. Kerry Lawrence was checking for those that could volunteer for helping at the event. If you are able to help with the E-Fly event, give Kerry a call.

Thanks to Box Karr Hobbies for two \$20.00 gift certificates.

Van reviewed the Oshkosh event.

The next Skyhawks meeting is September 13th.

Meeting closed at 8:15 pm

Show and Tell:

Wendell Maakestad and Jim Buttleman brought the two ARF's they built for the Take Flight, Iowa Children's Museum in Coralridge Mall. Wendell and Jim were asked if they would be interested in building the two models that will hang along with many others in the new "Take Flight" museum. Wendell built the P-51 and Jim built the Piper Cub. The new "Take Flight" museum is going to be something very special. You must make the trip to check it out when it's completed around November or December of this year.

Todd Davis brought the plans for the Ziroli "Turbonator" he's planning on building and powering with a new turbine. He says he's going to modify the basic plans to make it a little more scale appearing.
