In our dreams we are able to fly . . . and that is a remembering of how we were meant to be.

— Madeleine L'Engle, 'Walking on Water: Reflections on Faith and Art.'

Reminder: You must have your 2010 AMA Membership Card and 2010 Skyhawks Membership Card to fly at the field.

Your new Skyhawks membership card must be attached to your AMA card, and both should be placed in your frequency pin slot when you have the frequency clip. Thanks.

Minutes of Club Meeting
February 7, 2010

Van opened the meeting at 7:00 pm with one guest, Mrs. Buttleman and eleven members in attendance.

Treasurer's report;

Geoff Barrance gave the treasurer's report. Geoff has developed several new spreadsheets to keep track of our finances and memberships. Geoff would like all club memberships mailed to his home address. Changes will be made in the Logbook and on the website to reflect this.

Secretary's report:

Secretary's report was via the January Log Book.

Old business :

There was a short discussion of the club banquet. There was good attendance and everyone had a great time.

New business:

Todd Davis suggested an advanced training program with a guide manual and an advanced instructor list. Rich Dean may be interested in developing a check list, which will be in the manual to track the progress

of the trainees.

The list of club events for the year was discussed. Some of the meetings will be at the field during the summer months. The Iowa City AeroHawks will likely host the Tri-Hawk Invitational this year. They have not confirmed a date with us.

Wally Brown mentioned that he had sent in an IC engine recently for service. He was given the option to purchase a new engine at a reduced price instead of repairing his engine. He has declined their offer and has opted to run his old engine as is. The benefits of using Marvel Mystery Oil to maintain IC engines was mentioned.

Van called for a volunteer for the position of Safety Coordinator. There were no volunteers. Todd was appointed.

Van has been contacted by a Cub Scout Pack that would like us to do a presentation about radio control model aircraft. He and Wendell are planning to do this at the Shueyville Methodist Church the first part of April.

Meeting closed at 7:30 PM

Skyhawks Secretary,
Jim Buttleman

Lindale Mall Show – Saturday, March 13

The Cedar Rapids Skyhawks will be setting up a display of R/C aircraft in the center food court of Lindale Mall on Saturday, March 13th, starting at 8:00 AM. Everything must be in place and ready by 10:00 AM. The show hours are from 10:00 AM to 6:00 PM. No aircraft can be removed before 6:00 PM. There is a service entrance located on the side of the building behind what was Bennigan's Grill. We can park in the lot just outside this entrance for the day.

We will need all types of R/C Planes, from park flyers on up. You can call me at **295-7311** or email me at: tjdavis@rockwellcollins.com. for more information.

We also need people who like to talk about the hobby to be at the show to answer questions and to help people to understand why R/C modeling is so much fun.

Thank you for your support in making this a great show.
