There is no excuse for an airplane unless it will fly fast!

— Roscoe Turner

Reminder: You must have your 2010 AMA Membership Card and 2010 Skyhawks Membership Card to fly at the field.

Your new Skyhawks membership card must be attached to your AMA card, and both should be placed in your frequency pin slot when you have the frequency clip. Thanks.

Report of Club Banquet

January 9, 2010

The Skyhawks Banquet went over in grand style. Sheryl and Van did a wonderful job, as usual. For the entertainment portion of the program paper airplane building kits and then flying your creation was enjoyed by all.

Many nice gifts were handed out, and Van and Sheryl made sure everyone got plenty of tickets. Thanks to Van and Sheryl for making this occasion a fun event.

February Skyhawks meeting will be February 7th at the Longbranch, 7:00 pm.

Reminder: Van asked for board members to come 45 minutes early for a meeting prior to the regular club meeting.

Jim Buttleman, Secretary

Senior Advisor's Column:

Happy New Year! I hope that you are looking forward to a fun year of building and flying. We had a good turnout and great time at the dinner party. Thanks to Van & Sheryl for the great door prize activities.

Have you renewed your AMA membership? You will need to show your 2010 AMA card or send a photocopy to Geoff Barrance, Treasurer, to renew your SkyHawks membership. Only current AMA and Skyhawks members can fly at our field. This is an important insurance requirement in our lease with the city.

How are your winter building projects going? Our annual Lindale Mall show will be in March. Please start thinking about the models that you will have for display at the show. The days are getting longer and spring will be here before we know it. Now is a good time to charge/cycle those batteries and do the routine maintenance that our models require.

We want to welcome our two new club officers for 2010: Todd Davis, Vice President and Geoff Barrance, Treasurer. They, along with incumbents Van Winegarden, President, and Jim Buttleman, Secretary, will provide great leadership for the Skyhawks this year.

Wendell Maakestad, Senior Advisor

March Lindale Mall Show

The Cedar Rapids Skyhawks will be setting up a display of R/C aircraft in the center food court of Lindale Mall on a late March date yet to be determined, starting at 8:00 AM. We will post the date, once it is confirmed, on the Skyhawks web site. Everything must be in place and ready by 10:00 AM. The show hours are from 10:00 AM to 6:00 PM. No aircraft can be removed before 6:00 PM. There is a service entrance located on the side of the building behind what was Bennigan's Grill. We can park in the lot just outside this entrance for the day.

We will need all types of R/C Planes, from park flyers on up. You can call me at **295-7311** or email me at: tjdavis@rockwellcollins.com. for more information.

We also need people who like to talk about the hobby to be at the show to answer questions and to help people to understand why R/C modeling is so much fun.

Thank you for your support in making this a great show.
