Saturday, September 17, 1:00 PM, Fun Fly

To most people, the sky is the limit. To those who love aviation, the sky is home.

— anon.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Very few photos submitted thus far, as beautiful as they may be, meet the necessary criteria for a good cover photo. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have a current Skyhawks Membership Card to fly at the field.

Your new Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

May 1, 2011

Todd opened the May meeting with 13 members and one guest in attendance.

Treasurer's report:

Geoff Barrance read the treasurer's report. The club now has 73 registered members.

Secretary's report:

Jim Buttleman read the minutes from the April meeting.

Old business:

There was no old business discussed.

New business:

The repair of the driveway approach connecting to the highway that enters the club field was mentioned. This should be attended to sometime this season by the county.

The unsafe condition of the buildings at the flying field is being checked on with the City Parks Dept. What their plans are for the buildings is not clear at this time.

A suggestion to install mat material from

the front of each pilot station to the edge of the runway mat was made by Dr. Mark Barnett. Mark said he would be glad to make a small cash donation to expedite this project. We thank him for his generosity. More discussion later about this project. Mat material costs and size availability are being checked on .

Starting time for all the Fun Fly events will be at 1:00 pm. The starting time for the coffee and doughnuts event will be at 8:00 am, mark these times on your list of events.

Show n' tell:

Larry Brewer brought his "Ring Rat 100" c.l. electric powered project. It is made by Stevens Aeromodel. Larry said his grand-kids will have a chance to enjoy some fun with this also.

Doug Emerson brought his A-10 by Wow Planes and discussed the two part liquid sheeting process he's using to cover it. The two part covering material is also from Wow Planes.

Meeting closed at 8:05 pm.

Skyhawks Secretary, Jim Buttleman

2011 SKYHAWKS INSTRUCTORS

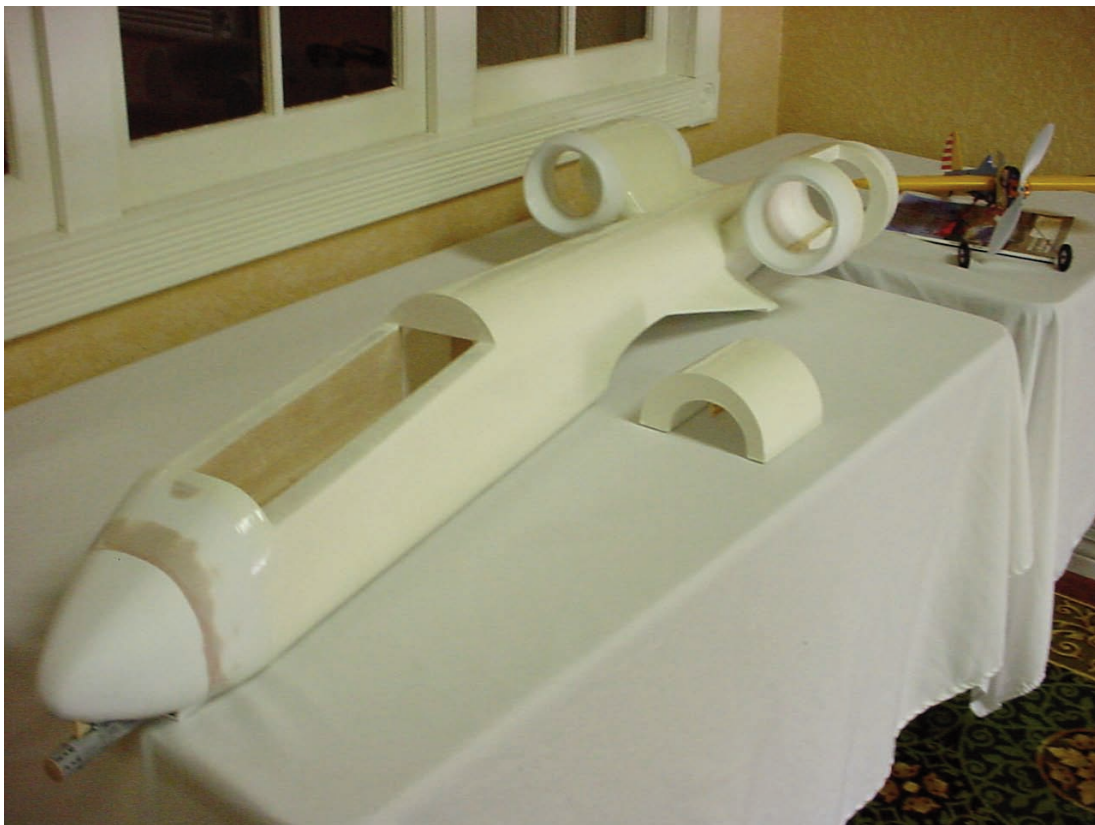

Van Winegarden361-6105
Wendell Maakestad366-2650
Randy Cady365-3041
Todd Davis361-2513
Rich Dean*
Kerry Lawrence390-3570
(electric only)

DON'T EXPECT the instructor to call you and make an appointment. You should call them; **they are available**. It is best to call and make an appointment rather than go to the field and hope help is there. And...if you want to be an instructor, please contact any Board Member.

*Check Instructor Availability Calendar
