Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have a current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

December 2, 2012

Todd opened the meeting at 7:00 pm with 13 members and two guests in attendance.

Intro and explanations of ongoing projects by the members present.

Treasurer's report: Geoff gave the report.

Secretary's report: Jim read the minutes from the November meeting.

Old business: The Lindale Mall show dates were discussed, but the final date is still not set at this time. It will be in March as usual.

The club banquet will be Saturday, January 12th, 2013 at the Longbranch. Cocktails at 6:00 PM, with dinner at 7:00 PM. Van has secured the meeting room for the Skyhawks at the Longbranch for 2013. Our thanks to Van for getting this important job done.

A motion was made by Van that the newly nominated club officers be elected by unanimous consent. Motion was seconded by Joel, voted on by membership and passed.

Special thanks to Geoff Barrance for serving as Treasurer during the last three years.

New business: Todd explained correspondence he received from the District VII VP. This was regarding an article submitted about our Warbird Event that was, unfortunately, not published in Model Aviation. However, there will be a Warbird Event article in Model Aviation in the near future.

The cost for web hosting is \$342.95.

Todd discussed the trophies he will be making for the 2013 Warbird Event. These will be unique, with hardwood used in the construction process. I'm sure these will be very special from the way Todd describes them.

Thanks to Todd for the time and effort he puts into projects like this.

Martin Miller informed the group that John Crilley was in Mercy Hospital with serious medical complications. We wish John well and a speedy recovery. The club secretary said he would send a card to John from the Skyhawks. A "thinking of you" card was also sent to Wally Brown, a Skyhawks member presently in :

Hiawatha Care Center
405-N. 15th Avenue
Hiawatha, Iowa 52233

Guest speaker: The guest speaker was Dave Wendell. He told us of his collection of miniature WW 1 and WW 2 warplanes that are autographed by the pilots that flew the full scale version. This collection of miniature aircraft, along with the autographs by the respective pilots, has taken Dave many years to collect. This was done partly by "one on one" meetings to obtain some of the signatures. Thanks to Dave for the interesting program.

Show n' tell: Randy Lipsch brought his new Carl Goldberg Chipmunk. It's powered by an O.S. .65

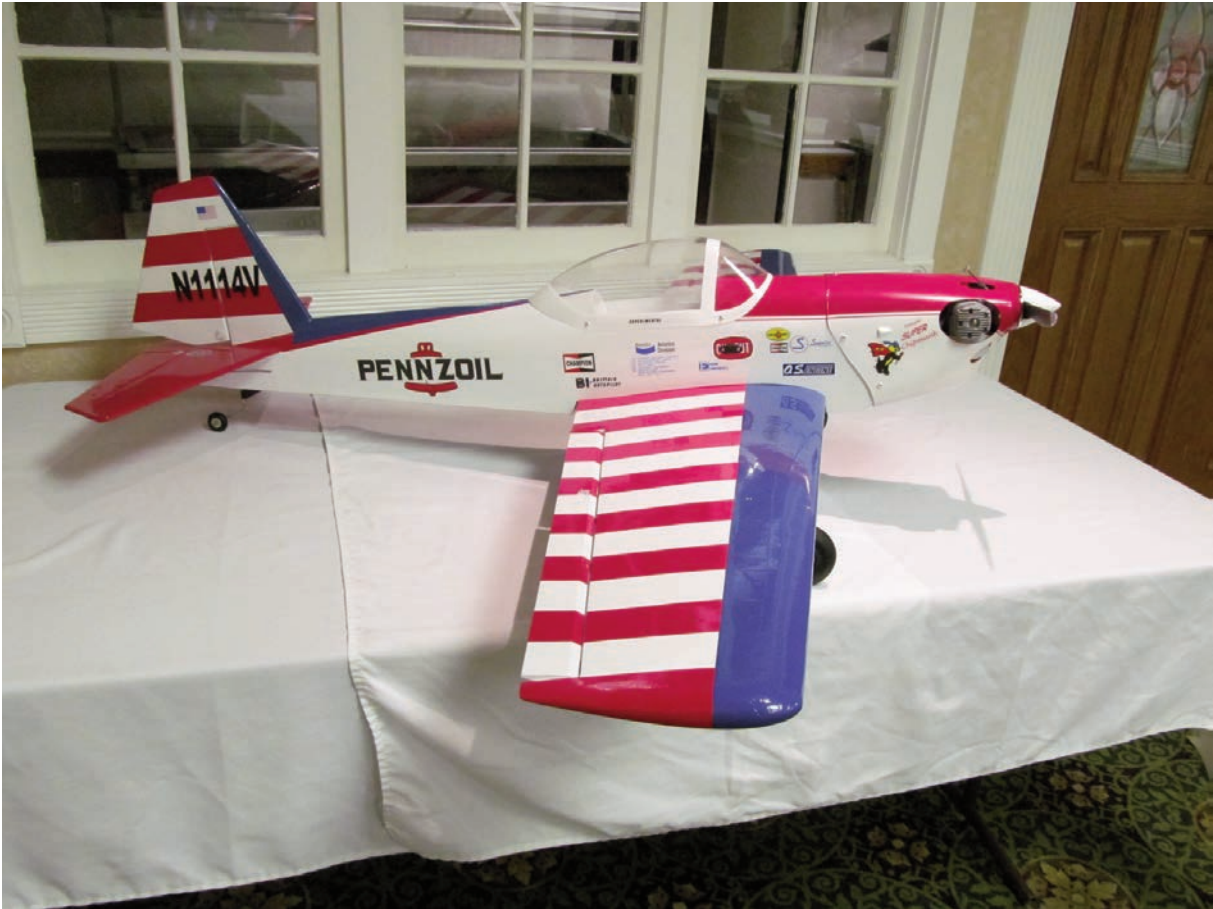

Meeting closed at 8:15 pm.
