Even before [we] . . . had reached 300 feet, I recognized that the sky would be my home. I tumbled out of the airplane with stars in my eyes.

— Geraldyn Cobb, regards her first flight, piloted by her father when she was 12 years old.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have a current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

November 4, 2012

Todd opened the meeting at 7:00 pm with 12 members and 2 guests in attendance.

Treasurer's report: Geoff gave the report.

Secretary's report: Jim read the minutes from the Oct. meeting.

Old business: A club safety officer is still needed, contact Todd if you're interested in the position.

Wendell said that he had talked to the Linn County Sheriff's Department recently about vandalism at the field. They plan to include our field area on their "home watch" schedule as their schedule permits.

Geoff talked to Daniel Gibbins from the Parks Department and discussed a possible cable across the driveway going back to our field. This was done last year, and hopefully the Parks Department will install it again for this year. Wendell and Jim put up a temporary fence two years ago. If the cable isn't installed, we might install the fence again for this winter season.

New business: An article was in Model Aircraft News about Lyle Vasser and his formation flying.

He attended our Warbird Event with his large P-51 this year. He and another pilot did a nice job of flying their P-51s in formation at the event.

The Christmas party will be the January 2013 meeting.

Van will schedule the room for us for the 2013 club meetings at the Longbranch. Thanks Van for taking care of this for the club.

There was discussion about the club's website and some possible changes and additions.

2013 club events: Warbird event- Saturday, July 20th. Rain date- Sunday, July 21st.

Demo Day- June 8th. Rain date- June 9th.

Mall show- Will be March 9th or 16th, still undecided.

Club officer nominations: There were no new nominations. Motion for nominations to close made by Van, seconded by Gary Owens.

Absentee ballots: If you are planning to use an absentee ballot, please send your absentee ballots to Geoff Barrance.

Show n' tell: Don Harker brought his scratch built Russian flying wing. It weighs 8 oz. and will use 4 channels for flight operations.

Mark Barnett brought a neat device he found to keep that ol' glue bottle from tipping over. It's called a "Roc-It-Up." It stabilizes the glue bottle and keeps it upright.

Motion to adjourn meeting made by Don Harker, seconded by Gary Owens. Meeting adjourned at 8:00 pm.

Skyhawks Secretary, Jim Buttleman
