Upcoming Events.

Sunday, March 3, 2019, 7:00 PM, General Club Meeting at the Hiawatha Library.

Flying is more than a sport and more than a job; Flying is pure passion and desire, which fill a lifetime.

A. Galland

“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

**Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation Department**

All club members must read and follow the safety rules. They are available on the website.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks identification badge must be worn when you participate in a flying activity. If you are flying on a 72 MHz frequency or Ham band, you must use a frequency clip. Thanks.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Skyhawks Meeting Minutes

February 10, 2019

Todd opened the meeting at 7:00 PM.

There were 11 members present for the meeting.

Geoff gave the treasurer's report, and reported that there are 43 members, including Life and Honorary members.

Old Business

The swap meet went well, but attendance was down from previous years.

Mark August 24th and Aug 25th for pattern flying, and Warbirds Over Iowa will be July 20th. Demo day is tentatively set for the first Saturday of June.

New Business

Having a static show at Hobby Town was discussed. We would be looking at some time in April. Todd will check into it and see if Hobby Town would be interested in doing it again this year. Todd was also going to check into getting back to Lindale Mall. It was talked about advertising for the event. Stay tuned, there should be more information during the March meeting.

Chuck Ficken is interested in being an instructor for anything 60 size and under. Chuck's phone number is 319-444-0839. If you are in need of an instructor please contact Chuck. We highly encourage you get an instructor if you are just starting out. See the Skyhawks website for a complete list of instructors.

We talked about Plane Identification, both AMA and FAA.

It is required to identify your plane with your AMA number, your name and address. The AMA

number can be inside the plane. Here are a couple of links:

You can purchase AMA labels here:

<http://shop.modelaircraft.org/dept.aspx?id=55d54bdb-494f-4794-9930-866c3627>

The FAA is now requiring you to put your FAA number on your plane; this was optional but is now a requirement again. The FAA number needs to be easily accessible for viewing. Go to the following link to learn more:

Show N Tell

Plenny Bates donated two Spectrum radios DX 5e and a DX 6i radios for the club trainer. This is much appreciated and we greatly appreciate the donation.

Chuck brought his glider for show and tell. It weighs less than ½ lb. It runs on 8.4V 2 cell battery made by FMS.

Todd Brought his F22 Raptor Jet that is powered by a 90mm electric fan.

Todd brought his tail and plans for the new giant size Kawasaki KI-61 Hien he is building. It will have a 126" wing span.

Meeting adjourned at 7:38PM.

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
