“The Skyhawks are a great partner and add a wonder-
ful recreational element to our city.”

Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation Department

**All club members must read and follow the
safety rules. They are available on the website.**

**Reminder: You must have your current Skyhawks
Membership Card to fly at the field.**

**Your current Skyhawks identification badge must be worn
when you participate in a flying activity. If you are flying
on a 72 MHz frequency or Ham band, you must use a fre-
quency clip. Thanks.**

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for con-
sideration for use as the Logbook cover. Cover photos need to
be in portrait mode, and should be as high a resolution as pos-
sible, preferably 2000 by 3000 pixels or more. Furthermore,
the top third of the photo should be sky or some other appro-
priate background so as not to interfere with the banner of the
Logbook.

Skyhawks Meeting Minutes

May 5, 2019

Gary opened the meeting at 7:00 PM.

There were 15 members present for the meeting.

Geoff gave the treasurer's report; we are currently at 70 paid up members for the 2019 season.

Old Business

Charlie Moyer plane sales went very well. All planes were sold, and it raised a lot of money for the club. We greatly appreciate the donation and all the members who made this a success. Special thanks to Todd for all his hard work to organize this event.

Electric Fly is scheduled for July 13th. Todd will be the CD but will need other volunteers to help with the event.

Needed field work will happen in May/June. Field work needed:

Roll the runway this spring.

Pull back the petro matt on north end was discussed. There was concern that the mat is too fragile. Gene made a motion and Rich seconded fixing the runway the best we can this season. The discussion was tabled as we didn't have enough information on the specifics. A small team will be put together to discuss what is needed an email will be going out for volunteers. You can send Gary and Todd an email if you are interested in helping out.

General clean up at the field. Stay tuned for an email.

For 2020 we need to start getting estimates for new mat work. We should start to get estimates on mat replacement so we can send AMA grant request. Randy will look into what it takes to receive a grant through the AMA for field work.

Thanks to Craig Mueggenberg for getting field mat staples for us from a distributor in Des Moines.

Demo day is June 1st. Emails will be coming out in for Demo day. We will need trainers and buddy boxes for people to get a feeling what it is like to fly a RC Plane.

New Business

Port O Potty is now at the field.

Wendell and Todd to set up a meeting with CR Parks Commissioner to introduce him to what the Skyhawks club is about and the events and organization we support.

Show N Tell

Gene brought a new airplane, Sensie. It has candy drop bomb bay doors built into the plane. Uses 3 cell 2200 mah.

Gary ended the meeting 8:05 PM.

Skyhawks Vice President, Gary Owen

Gene's new airplane, Sensie

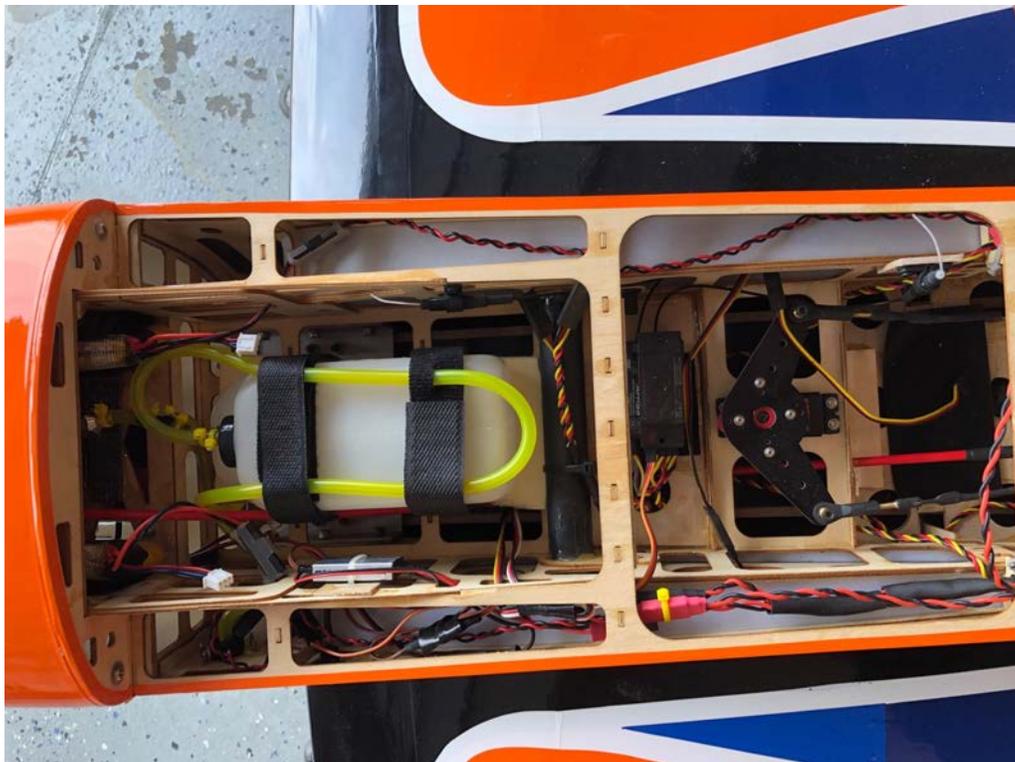

Member Bob Mackie has a couple planes for sale. Contact Bob directly at Bob.Mackie@assaabloy.com or 563-340-6310 if you'd like more information or more detailed photos.

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
